Products in this plan: Green Phosphate | V-Phosphate | Vital Urea | Fusion Potash | Vital Potash | Green Sulfur | V-Mag Essential | Humi Grow | V-Transform | VL-Micromix | Tornado | Urea In grey: not made by VAN

Rates are per acre. Each rate names the size of its bag or pack, in kg or litres: "½ of a 25 kg bag" is 12.5 kg. Products named in grey are commodity inputs that VAN does not make.

About this plan. This crop plan is a general guide for a typical crop on a typical soil, and it does not replace a soil test. VAN can prepare a plan for your own farm from your soil analysis, your yield target and the other conditions of your field that affect how much fertiliser to apply. Ask for one on WhatsApp at +92 300 5003041 or at kisan@van.com.pk.

Lab report for each batch. VAN tests every batch before it ships. At www.van.com.pk/verify.html, you can type the batch number printed on any VAN bag and open the lab report for that batch.
